【P.8~13】

The hare quickly reached the bottom of the mountain.

H : I can't see the tortoise yet.

He is so slow. I'll take a little nap here.

The tortoise continued walking hard.

He couldn't see the sun anymore,
and the full moon rose above him.

Finally, he reached the top of the mountain.

T : Wow, I did it! I reached the goal.

Meanwhile, the hare woke up from his nap.

H : Oh no! It's dark out. I overslept!

He hurried to the mountain, and found the tortoise was at the top.

T : You're too late.

T : Good evening, Hare! I win! You lose.

H : I know……

Then they had dinner at the restaurant together.

H : This is on me.

T : Thank you!
