【P.10~13】

Dad came back from work.

Grandpa and grandma came too.

And together we had a birthday party.

We started singing. Happy Birthday to you...

Mom brought out the cake.

In one breath, dad blew out all the candles.

"Happy Birthday, dad!"

Mom cut and served the cake.

"We all helped make this cake."

"Really? That's a big surprise! It's soooo good!"

Dad looked really happy.

【P.34~37】

Are there many people in your family?

Each family has different members.

Is your family cheerful and noisy?

Is your family quiet and calm?

It depends on your family.

Do you have any pets?

Do you think pets are the members of the family?

Some families have people from other countries.

Some families have fostered or adapted children.
